

MODEL: HA-S600 [Name: Gas Alarm Control Pannel]

| MODEL: HA-S600 Name: Gas Alarm Control Pannel | |
|---|---|
| DISPLAY MODE: | 8-inch color touch screen LCD operation |
| OUTPUT MODE: | passive switch, RS485 (optional), RS232(optional), Ethernet port (optional) |
| ALARM OUTPUT: | built-in 6 sets of programmable external control output, Contact capacity 2A/DC24V or 1A/AC220V |
| INSTALLATION METHOD: | fixed installation on site, wall-mounted |
| NETWORK CAPACITY: | 32Channels |
| ALARM MODE: | sound and light alarm |
| ALARM POINT: | two-level alarm, freely set by the user |
| POWER SUPPLY VOLTAGE: | AC220V±10% 50HZ |
| SIGNAL INPUT: | 4-20mA |
| RELAY CAPACITY: | 3A |
| WORKING TEMPERATURE: | -10 °C-55 °C |
| WORKING HUMIDITY: | <95%RH |
| CABLE REQUIREMENTS: | RVVP 3×1.5mm2 |

MODEL: HA-S600

Name: Multifunctional eight-in-one gas detector

Protection level:
IP65

Safety Integrity Level:
SIL2

Explosion-proof mark:
Ex ia IIC T4 Ga

Configurable gases

CO, CO2, H2S, O2, NH3, SO2, etc.

Output types

Built-in 6 sets of programmable external control output.

Contact capacity 2A/DC24V or 1A/AC220V

FUNCTIONS FEATURES

- ✓ Large screen color LCD display
- ✓ Multiple passive relay contact output
- ✓ detect different gas components
- ✓ simultaneously control multiple points in a centralized manner
- ✓ Name can be manually added on-site
- ✓ self checking and adaptive detection for faults,
- ✓ with high reliability and maintainability
- ✓ Integrated electrical board safety design
- ✓ main and backup power control switches
- ✓ 32Channels 4-20mA
- ✓ 32 bit microprocessor
- ✓ 10,000 alarm/failure condition records

DESCRIPTION

The S600 gas control panel is a multi-point monitoring gas alarm developed by our company for detecting the concentration of the gas to be measured in the environment. When the concentration of the gas to be measured in the environment reaches or exceeds the preset alarm value, the controller immediately sends out Sound and light alarm, and drive exhaust or other external control equipment to prevent poisoning accidents, explosions, and fires, thereby ensuring the safety of life and property.

Multi-function at a glance

CHEMICAL PLANT

STORAGE

GAS

BREW

FOOD MANUFACTURER

LABORATORY

OIL

COAL MINE

This product is suitable for various places such as chemical, pharmaceutical, municipal, water treatment, telecommunications, archaeological laboratories, cold storage, brewing, etc.
